MESSAGE FROM THE PRESIDENT

I'd like to thank the picnic committee for the outstanding job it did (even though my wife and I lost at both the egg and balloon tossing games). Frank and Sandy Bisotti, Art Rozzoni, Rick Crivello, Zuddy De Rose, Jason Evitts and a big thanks goes out to Clint Wisialowski for the theater tickets. Don't forget we have our Roma Lodge Sports Night after our August meeting and also, the Mortgage Burning Party August 27th. We will have more on the 33rd Festival in the September newsletter. I heard the couples golf outing was a hit thanks to Gary and Vicky Christensen. Once again, I'd like to thank all the members for the support you give Roma Lodge by attending our functions. Without you there would be no Roma Lodge. It's your club, so let's take care of it. It needs all our help. So remember, if it's good for the Roma Lodge members, it's good for the Roma Lodge!

Fraternally Yours

Buddy D Alfano

NOTES FROM OUR SCHOLARSHIP RECIPIENTS

Dear Roma Lodge Members

I wanted to take this opportunity to thank you again for awarding me the Roma Lodge Merit Scholarship last year. It has been such a great help in my education, and I believe it will continue to do so in the future. I am so honored and thankful to have received such a wonderful award.

I just finished my first year at the University of Wisconsin – Oshkosh. I absolutely love it there! It is everything I could have asked for in a school and more. So far, I've excelled academically, finishing the year with a 3.2 GPA. My overall goal is to become a broadcast journalist. Consequently, I've decided to major in Communications with a double minor in journalism and radio/television/film.

On campus, I am involved in a number of clubs and extra-curricular activities. The first is Titan TV – our school's television show that airs for the entire campus to watch. Throughout the year I was a reporter for our news station, which allowed me to get some experience in the broadcasting area. I was responsible for covering events on campus as well as interviewing people and writing stories. Another group I am involved with is Campus Crusade for Christ. This is a youth group that meets weekly in order to worship and get other Christians involved with one another on campus. I also played co-ed intramural softball this year. I was the captain of our team, so I organized practice and game times as well as took care of any specific needs of the team. It was a blast to go out and play with my friends, and we actually ended up winning the championship! Overall, my year has gone extremely well. I can't wait to get back to Oshkosh in the fall and continue my education. Thank you again so much for the award you've given me and the help you've provided to my family. It is more appreciated than you know.

Sincerely,
Paige Bonanno

Dear Roma Lodge Scholarship Committee:

I would like to take this opportunity to express my gratitude to the members of the Roma Lodge for the Merit Scholarship I received in the spring of 2008. I am now a senior at Marquette University majoring in English and secondary education. This past year I was able to make the Dean's List while continuing to go through field experiences in Milwaukee area schools in my pursuit of a career as a secondary English teacher. I completed a placement with students with exceptional needs at Ronald Reagan College Preparatory High School. This placement helped me gain further understanding about exceptional needs and different styles of learning. I also completed my Middle School Practicum at Lincoln Intermediate School. At Lincoln I was able to further develop my classroom management skills. I look forward to my senior year and to student teaching in the spring. Thank you for your continued support of my academic aspirations.

Sincerely,
Allison Odders

Dear Roma Lodge Members:

Thank you very much for providing support for me during my first three years at the University of Wisconsin – Madison. They have been truly memorable. I have met life long friends, stormed Camp Randall and had success in the classroom. This past year I began to take the bulk of my upper level courses. My favorite courses were corporate finance, investment theory, and intermediate accounting. I was very pleased with my academic performance and made the Dean's List both semesters. Beta Alpha Psi, an accounting fraternity, and the Investment Banking Club were the main organizations that I became involved with. I have met a lot of smart and motivated students in these organizations, and have had the ability to expand my personal network beyond U.W.-Madison.

This summer I'll be working in Chicago as a summer analyst at Credit Suisse HOLT. I am extremely excited for this opportunity, and I am looking forward to learning more about future career opportunities in the finance and accounting fields.

Thank you again for your continued support, and I look forward to the Italian Festival this summer. On Wisconsin!!!

Best,
Ben Weyers [NOTE: Ben was the recipient of the 2008 Roma Lodge Merit Scholarship]

Dear Roma Lodge Scholarship Committee

I can not begin to thank you enough for your continued support of my education and future. It has been another incredible year as I have just finished up my second year of college in New York City at Marymount Manhattan College. This year has given me even more knowledge of myself, the work around me, and my aspirations for the time to come.

Being the first male dancer to be accepted as a transfer into Marymount's dance program in four years was an incredible honor, and all the hard work in both dance and academics was well worth it. I made the Dean's List for both the fall and spring semesters, and qualified for the Omicron Delta Kappa Honor Society. I was also able to show some of my original choreography this past spring as part of a composition showcase.

Outside of school, I've been hired by Diesel [an Italian design and clothing retail company] to work in its sales department and have been very active in studying the works of many local and international performance groups around New York City. I was able to meet the up and coming menswear designer, Marlon Gobel and have been personally invited to his show at Fall Fashion Week. I've also had the opportunity to attend events like the Live Out Loud Gala where I met Hal Rubenstein of *InStyle Magazine* and Broadway producer Daryl Roth, and attended an opera benefit at Alice Tully Hall.

For the third consecutive year I was asked back to be on staff for the Badger Boys State program where I served as a counselor. This turned out to be another unbelievable year, and it was interesting meeting Governor Walker and hearing him speak. This summer I also received a scholarship to dance in Colorado at the Perry Mansfield School where I'm currently dancing and performing for six weeks. When I return to Wisconsin there will only be a short time until I leave again to begin my third year of school in New York.

It has been a great year for me but I know that I could not have achieved everything I did without your support. I'm so thankful and I ask you once again to help me as I enter another year of my education with hopes that more bright things are to come this year.

Sincerely,
Mark Osmundsen [NOTE: Mark was the recipient of the 2009 Roma Lodge Merit Scholarship]

SUGGESTED READING FOR THOSE INTERESTED IN ITALIAN-AMERICAN HISTORY

Una Storia Segreta: the Secret History of Italian American Evacuation and Internment during World War

II, edited by Lawrence DiStasi. Heyday Books, 2001

It is little known that Italian Americans had been interned, evacuated and otherwise restricted during World War II. In a collection of essays, Una Storia Segreta brings together the voices of the Italian American community and experts in the field, including personal stories by survivors and their children, letters from internment camps, news clips, photographs, and cartoons. Una Storia Segreta is the secret story/history of Italian Americans that brings a new perspective to the history of wartime violations of civilian populations. The range of scholarly essays detail which parts of the Italian American community were targeted, where internees were sent, how the communities reacted, what some of the long term effects have been, and an analysis of government actions and motives, both stated and secret.

On the web - **Una Storia Segreta: When Italian-Americans Were "Enemy Aliens"** developed by the American Italian Historical Association, Western Regional Chapter in 2003 provides a chapter by chapter summary of the book including pictures and illustrations. You can access the site at <http://www.aiha-wrc.org/segreta/>.
